Our home, our place
Here in this valley
This is our family
Here in this town

Our home, our place
This is our century
This is our life
Here in the land

My heart's in this land
And this land's in my heart
We'll never part
Till the sun has gone down
And through all the years
Nothing has changed
Through fire and rain
We will fight for this land

My heart's in this land
And this land's in my heart
We'll never part
Till the sun has gone down
And through all the years
Nothing has changed
Through fire and rain
We will fight for this land

Our home, our place
Here in this valley
This is our family
Here in this town

One home, one place
This is our century
This is our life
Here in the land

This is our life
Here on the land
