You've been playing around
With that ego of yours
Like a big time gambler
Who thinks he knows the score
But you're foolin' yourself
If you think you can win, yeah
I'm ready to play
So deal me in

Don't hold your card so close to your chest
Come on and let me see the rest

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

You might look like a king
But you're still short a queen
And that ace up your sleeve, yeah, I know where it's
been
You can't take a trick, ha
With that stupid grin
If you play with me, yeah
I'm gonna win

Don't hold your cards so close to your chest
Come on and let me see the rest

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

So you think you're a card

What's the big deal
You're only a joker with little appeal
Your deck may be stacked
But I've seen it before
And I've seen more...
I've seen a lot lot more

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me

Why don't you strip jack naked
Strip jack naked
Strip jack naked for me
