Look into the distance
Tell me what you see
Can you see the future?
Are you there with me

Hope it's there for both of us
Hope we travel on
'Cause I believe
Yes I believe
That once you light that fire
And when you give it life
It'll grow and grown

'Cause the first touch
Of your first love
Is the deepest and the sweetest
And the last words
Of your first love
Are the hardest words to hear

When I finally touch you
Soft upon your skin
You travel to the heart of me
And so it begins

Can't walk away
Can hardly breathe
I know you're there
I feel you're there
Cause once you light that fire
And when you give it life
It'll grow and grow

'Cause the first touch
Of your first love
Is the deepest and the sweetest
And the last words
Of your first love
Are the hardest words to hear

'Cause the first touch

Of your first love
Is the deepest and the sweetest
And the last words
Of your first love
Are the hardest words to hear

Look into the distance
Tell me what you see
Can you see the future?
Are you there with me
