We had no time
To be together
Each day we had
I tried to hold

We had no time
To be together
That was the man
That I had loved

All the love
All the laughter
Will they ever be enough?

Why?
Oh why?
Why here?
Why now?
Why can't I have the man I loved

Don't say
Don't dare to say
I won't see him
One more time

Don't say
That he's gone away
I close my eyes
And I see him smile
I feel his arms around my heart
As they should be, as they are

Why?
Oh why?
Why here?
Why now?
Why can't I have the man I loved

We had no time
To be together
Each day we had

I tried to hold
We had no time
To be together
He was the man that I loved
