Been a lot of places
Had a lot of homes
Always lived a gypsy life
She never settled down
But that might change...

Always the outsider
Mostly been alone
Never stay in one place for too long
Guess she likes her freedom
I guess, that's true

Easy to be careful
Harder to be wise
Life's a risk - she gambles
That's no surprise...

She's a stranger, a mystery
Someone from the past
But that stranger
Will bring a mystery - into your life

Yes that stranger
Brings mystery into your life

Don't ask for favours
Don't tell lies
Don't open up of she'll walk on you
One day she might change
But not for fools...

Easy to be careful
Harder to be wise
Life's a risk - she gambles
That's no surprise...

She's a stranger, a mystery
Someone from the past
But that stranger
Will bring a mystery - into your life

Yes that stranger
Brings mystery into your life

Roll the dice and spin that wheel again
She'll hit the road, but you won't know when
They make 'em tough where she comes from
Get too close and she'll be gone...

She's a stranger, a mystery
Someone from the past
But that stranger
Will bring a mystery - into your life

Yes that stranger
Brings mystery into your life
