Give me this day  
All I ask of you is time  
Just one more day  
Just one more day  
I can't see the reason  
For you to walk away  
When we've come so far  
Come so far

I'm lost in the dark  
Without a road to travel on  
And time turn over  
Start again, start gain  
Time turn over  
Find my way to you again

Words are unspoken  
Buried so deep  
Time they saw the light of day  
Time they saw the light  
I'm missing your touch  
I miss you so much  
And all I want to say is  
All I want to say

I'm lost in the dark  
Without a road to travel on  
And time turn over  
Start again, start again  
Time turn over  
Find my way to you again

Time turn over  
Start again, start again  
Time turn over  
Find my way to you again
