"Trust The Night"

Your touch is soft
And it makes me tremble
In your arms
It feels so right
Oh but there's danger
If we don't trust the night

And it don't, don't belong
To those who want it
Cos that wouldn't be right
Oh the magic
Won't survive
If we don't trust the night

Trust the night, believe the magic
Things like this should happen slow
Don't confuse me with your questions
Just believe and then you'll know
Just believe and then you'll know

Trust the night, believe the magic
Things like this should happen slow
Don't confuse me with your questions
Just believe and then you'll know
Just believe and then you'll know
