You said the sun wouldn't shine today  
Well baby, you were wrong  
I put on my purple scarf  
I'm going out to play and I'm sorry  
That you can't come along

You had your chance  
To be with me  
Then you did what you did  
And I threw your stuff out in the street

And ice cream tastes just a little better  
Water on my tongue feels a little wetter  
And I think I'll be a fancy jet setter  
To bad we can't be together  
To enjoy this beautiful weather

I'd rather be laughin' alone  
Than cryin' at home over you  
I'm over you, yeah

I know your plan  
You're gonna see me out and kiss me  
You say you missed me back  
And it's gonna be a little awkward for you  
'Cause I won't kiss you back

You had your chance  
To be with me  
But you acted like a jerk  
Now I'm loving being free

And ice cream tastes just a little better  
Water on my tongue feels a little wetter  
And I think I'll be a fancy jet setter  
To bad we can't be together  
To enjoy this beautiful weather

I'd rather be laughin' alone  
Than cryin' at home over you  
I'm over you, yeah

Maybe this song  
Won't make it outta my living room  
But maybe someday  
You'll log onto Youtube  
And see the video  
I'm making right now for you

I'm over you, I'm over you  
I'm over you, yeah  
I'm over you, yeah  
I heard you still love me
