(Indistinct ringing)

AJ: Hello?

no, I don't have it anymore!

Aly: Hi, I have those tickets.

AJ: I'm sorry they aren't here!

Aly: What do you mean you don't want them anymore?

You called me five minutes ago and now you don't want them anymore!

AJ: The tickets aren't here!

Aly: Fine (Slams)

AJ: I'm sorry (Hangs up on other line)

Hello? Arrrrgh!

(Music starts)

AJ:

I am so sorry

Right now I'm not in a good mood

Aly:

Say you need me

But you don't

AJ:

And now I am stuck down here

In this messy old room

Aly:

And now you wanna give me a chance

But I don't want to

Chorus

Aly & AJ:

Have you given it any thought

I'm just sittin' here staring at the new clock

And it's ticking away

I'm not gonna say I love you anymore

Right now

All I need is a friend

All I need is a friend

Aly:

You go your way

And I'll go mine

Aly & Aj:
You're not my friend
So why say good-bye
When we're no even in love

AJ:
Now I have to go
I don't wanna see the look on your face
When you show

Chorus
Aly:
Have you given it any thought
I'm just sittin' here staring at the town clock
And it's tickin' away

Aj:
I'm not gonna say I Love you anymore

Aly & Aj:
'Cause right now
All I need is a friend

Aly:
Naaaaa

AJ:
I have my days
I get my ways
I live with smiles
And I live with cryers
I always loved you
Now I don't

Aly:
I have my days
I get my ways
I live with smiles
And I live with Cryers
I used to love you

Aj (Spoken):
Aly? Where'd you get those tickets?

Aly:
Aj, I stole them from you...here.

AJ:
Thanks Aly.

Chorus
Aly & Aj:

Oh
Have you given it any thought
I'm just sittin' here starin' at the town clock
And it's tickin' away
I'm not gonna say I love you anymore
Right now

AJ:
All we need is a friend
