Everybody's trying to get to me
Every guy is out for the kill
I'm the type of girl worth pursuing
But I won't be caught standing still, no I won't
You're throwin all of your attention on me
Take your best shot I bet you'll miss
You got me interested enough to stand closer
Maybe try a little, kiss

You hit the bullseye, baby
(You hit the bullseye, baby)
Now I'm into you crazy
(You know ya hit the mark)
Don't know how you got me started
(I'm not an easy target, HIT IT!)
You hit the bullseye
You hit my heart

I'm surprised the way you affect me
Like an arrow penetrating my heart
Naturally you seem to just get me
So obviously you're pretty smart
HA HA HA!
I like the way you're all dressed up, messed up
I like the way you don't care
I wasn't certain that you'd ring my bell but

Then you whispered in my ear

You hit the bullseye, baby
(You hit the bullseye, baby)
Now i'm into you crazy
(You know you hit the mark)
Don't know how you got me started
(I'm not an easy target, HIT IT!)
You hit the bullseye
You hit my heart

You hit my heart (heart, heart)
You didn't ask me for my number?
Wait, you didn't ask me for my number?
Hmm I like the fact that you didn't ask that

Cause you already got my number, huh

You hit the bullseye, baby
(You hit the bullseye, baby)
Now I'm into you crazy
(You know you hit the mark)
Don't know how you got me started
(I'm not an easy target, HIT IT!)
(You hit the bullseye)
(You hit the bullseye)
(You hit the bullseye)
You hit my heart
