Please stop calling on my cell,  
I've got enough voicemails,  
Don't you get the picture?  
I don't return your e-mails, IM or your text,  
Messages are getting boring fast,  
I try to be careful with my words.

You're all over me, suffocating,  
I need to breathe, doorbell's ringing,  
CD you sent won't stop singing,  
How's that for being careful with words?

No more flowers at my door,  
I've started to ignore,  
the smell of moldy petals  
I must confess you're desperate,  
to get my attention,  
shoppers we are closing,  
please go home.  
I try to be careful with my words.

You're all over me, suffocating,  
I need to breathe, doorbell's ringing,  
CD you sent won't stop singing,  
How's that for being careful with words?  
First I was flattered by,  
All the attention I,  
wanted to see where this would go.  
Then you got weird on me,  
Obsessed in the third degree,  
'till I was ready to explode

None of these words have been rehearsed,  
I don't think they can be reversed,  
Sadly, it's only one sided (Only a)  
Matter of time before I,  
have to confess what's on my mind,  
I told you it wouldn't be pretty (Didn't I)

You're all over me, suffocating,  
I need to breathe, doorbell's ringing,  
CD you sent won't stop singing,

How's that for being careful with words?

You're all over me, suffocating,  
I need to breathe, doorbell's ringing,  
CD you sent won't stop singing,  
I was so careful I ran out of words.
