You were the one  
That I couldn't find  
Hidden away  
In the depths of my mind

Why did I let you go  
You're too good to be true  
I messed it up and now I don't know what to do  
We ran in circles and wasted time  
From right to wrong  
From right to wrong

If I knew that you were mine  
I wouldn't have wasted time  
I wish I could erase the past  
Now it's all collapsed  
In my lap

I overthought  
So I locked up my heart yeah  
There you stood  
Your blue eyes hidden beneath your hood

Why did I let you go  
You're too good to be true  
I messed it up and now I don't know what to do  
We ran in circles and wasted time  
From right to wrong  
From right to wrong

If I knew that you were mine

I wouldn't have wasted time  
I wish I could erase the past  
Now it's all collapsed  
In my lap

My mind is blank just like a clean slate  
Will I meet another guy with the same blue eyes  
And the same name, with the converse shoes I gave.  
Will he have the same laugh  
Wear my homemade hat.

Bet I'll make another mistake.  
And think he's just another fake.

Wish I could erase the past now  
Wish I could bring you back

If I knew that you were mine  
I wouldn't have wasted time  
I wish I could erase the past  
Now its all collapsed  
In my lap

If I knew that you were mine  
I wouldn't have wasted time  
I wish I could erase the past  
Now its all collapsed  
In my lap
