Visit "[Lay Me Down](#)" on MotoLyrics.com

you let me in  
'cause after all  
It seemed like the right thing to do (ooh-ooh)

I closed my eyes  
And let you fall  
I wonder what you could possibly know  
About breaking down that I don't

It's been awhile  
Since i begged for  
Anything but now I want more

So lay me down  
I'm lonely  
You don't understand me  
And you never even try to  
Anyway

I hear you say  
It's not the same  
I'm sorry  
It's not the same  
It's something I just can't explain  
So Shut you mouth  
and hold me close  
We both know  
It's better than being alone

I don't mind  
killing time  
As long as I can't see it in your eyes

Chorus

If wanting you's wrong then I'm wrong  
I'll admit it  
Time after time you'll realize  
you don't mean it

Chorus
