I know this really isn't you
I Know Your Heart Is Somewhere Else
And I'll Do Anything I Can
To Help You Break Out Of This Spell
I See You Following your Crowd
I Know You're Trying To Fit In
But If Your Gonna Find Yourself
You Gotta Start From Deep, Deep Within

Hold On To What You Believe

[Chorus]

I Will Always Be Your Friend
I Know Who You Are Inside
I Am With You Till The End
Never Far Behind
I am standing in the distance
You can take your time
And I will be there waiting
Never Far Behind
Yeah
Never Far Behind

I Am Sending You A Message
Don't ever Think That It's Too Late
When You Care About Someone
There is always room for change
you're allowed to make mistakes
it's a part of every life

I Don't See you any different
The Truth Is Shining In Your Eyes

Hold On To What You Believe

[Chorus]

I Will Always Be Your Friend
I Know Who You Are Inside
I Am With You Till The End
Never Far Behind
I am standing in the distance
You can take your time

and I will be there waiting
Never Far Behind
Yeah
Never Far Behind

You Can Take Your Time
And I Know
From My Heart

I Will Always Be Your Friend
I Know Who You Are Inside
I Am With You Till The End
Never Far Behind
I am standing in the distance
You can take your time
and I will be here waiting
Waiting by my side
God
Is Never Far Behind

I Am Sending you a message
