I am moving through the crowd  
Trying to find myself  
Feel like a guitar that's never played  
Will someone strum away?

*[Chorus:]*

And I ask myself  
Who do I wanna be?  
Do I wanna throw away the key?  
and invent a whole new me  
and I tell myself  
No One, No One  
Don't wanna be  
No One  
But me..

You are moving through the crowd  
Trying to find yourself  
Feelin' like a doll left on a shelf  
Will someone take you down?

*[Chorus:]*

And you ask yourself

Who do I wanna be?  
Do I wanna throw away the key?  
and invent a whole new me  
Gotta tell yourself  
No One, No One  
Don't wanna be  
No One  
But me..

Your life plays out on the shadows of the wall  
You turn the light on to erase it all  
You wonder what it's like to not feel worthless  
So open all the blinds and all the curtains

No One, No One  
Don't wanna be  
No One  
But me..

We are moving through the crowd...
