This Christmas card is so contrived  
A mannequin looks more alive  
Haven't meant a word I've written here  
The page is full not one thing sincere

I can't, I can't  
I can't, I can't take it  
This is the time to smile,  
I can't fake it  
Please allow me the chance now  
To break it down

It's not snow, It's rain coming down  
And the lights are cool,  
But they burn out  
And I can't pull off the cheer  
Not this year  
Not this year  
Not this year

When I look into the mirror  
No happiness is present here  
Not supposed to whine, (I'm not)  
Not supposed to cry, (cry)  
Try to hold it in, but not this time

I can't, I can't  
I can't, I can't take it  
This is the time to smile,  
I can't fake it  
Please allow me the chance now  
To break it down

It's not snow, It's rain coming down  
And the lights are cool,

But they burn out  
And I can't pull off the cheer  
Not this year  
Not this year  
Not this year

Don't know, don't know  
If you can hear me  
I will, I will  
Speak louder for you

No more whispering  
Are you listening  
I am pleading  
I am pleading

I can't, I can't  
I can't, I can't take it  
This is the time to smile,  
I can't fake it  
Please allow me the chance now  
To break it down

It's not snow, It's rain coming down  
And the lights are cool,  
But they burn out  
And I can't pull off the cheer  
Not this year  
Not this year  
Not this year  
I can't, I can't

It's not snow, It's rain coming down  
And the lights are cool,  
But they burn out  
And I can't pull off the cheer  
Not this year  
Not this year  
Not this year  
Not this year
