I, I sit in silence here
I'm filled with wonder once again
I'm overwhelmed by Your beautiful love
Now I, I'm falling to my knees
So grateful for the grace You give
The love I need I've found in You

Lest I forget
All of Your goodness
The blood You have shed
The Cross, I now remember
Lest I, forget

Lord, You wept tears of blood for me
You hung in agony so deep
Carried my sin, away for good
Now I, I take this Bread and Wine
Remembering You love divine
You walked through fire to free my soul

Lest I forget
All of Your goodness
The blood You have shed
The Cross, I now remember
Lest I, forget

Lest I forget
All of Your goodness
The blood You have shed
The Cross, I now remember
Lest I

Lest I forget
All of Your goodness
The blood You have shed
The Cross, I now remember
Lest I, forget

Lest I, forget

Lord, You wept tears of blood for me
Carried my sin away for good

Walked through the fire to free my soul
I sit in silence here
The Cross, I now remember
Lest I forget
