There are millions in this world today searching
For something that can take away the pain
Why don't we show them a little of God's love?
Show His love

Just a little bit of love goes a long, long way
Just a little bit of love'll make someone's day
Just a little bit of love, give it away

Just a little bit of love, c'mon, let's all share
Just a little bit of love, we've got lots to spare
Just a little bit of love, show them we care

God so loved us, He gave His only Son
So we might love each other just as He has done
He showed us the way to love everyone
He's shown His love

Just a little bit of love goes a long, long way
Just a little bit of love'll make someone's day
Just a little bit of love, give it away

Just a little bit of love, c'mon, let's all share
Just a little bit of love, we've got lots to spare
Just a little bit of love, show them we care

Love is patient, love is kind, love is strong
And love is blind, it don't do wrong, it only forgives
The more you give away, the more He'll give-a-you to
give

Just a little bit of love goes a long, long way
Just a little bit of love'll make someone's day
Just a little bit of love, give it away

Just a little bit of love, c'mon, let's all share
Just a little bit of love, we've got lots to spare
Just a little bit of love, show them we care

Just a little bit of love goes a long, long way
Just a little bit of love'll make someone's day
Just a little bit of love, give it away

Just a little bit of love, c'mon, let's all share
Just a little bit of love, we've got lots to spare
Just a little bit of love, show them we care
