I've got this story in my heart and it's become my song
And I can't help but sing
The cynics and the saints, the famous and unnamed
One day we will all fall before You, but I'm gonna bow
today

Jesus, You are so wonderful I cannot live without Your
love
Jesus, You are so glorious, no one can move me like
You do
I love being loved by You, I love being loved by You

So take me deeper still where Your mysteries are
revealed
And I see You as You are
Oh, show me how to die 'til all that's left of me
Is a mirror of everything You are and I come before You
complete

Jesus, You are so wonderful I cannot live without Your
love
Jesus, You are so glorious, no one can move me like
You do
I love being loved by You

Who am I that You would notice me?
Who am I that You would think of me?
I stand in awe of Your amazing love
Who am I that You would rescue me?
Who am I that You would die?

Jesus, You are so wonderful I cannot live without Your
love
Jesus, You are so glorious, no one can move me like
You do

Jesus, You are so wonderful I cannot live without Your
love
Jesus, You are so glorious, no one can move me like
You do

I love being loved by, love being loved by

Love being loved by You
I love being loved by You, love being loved
Love being loved by You
