So many things I wish to say to You  
Hard as I try, words cannot explain  
So I lift my eyes and lift my hands  
In awe of You, adoring You  
And I want to say that I love You

Oh, how I love to love You  
Oh, how I love to love You  
I love to love You

So many things I wish to thank You for  
Hard as I try, words cannot express my gratitude  
So I lift my heart and lift my soul  
In awe of You, I worship You  
And I want to say that I love You  
And I want to say that I need You

Oh, how I love to love You  
Oh, how I love to love You  
'Cause I love, I love you, Lord  
I reach, I wait, I run, I praise, I love You

I am like the willow living by the streams  
I drink of Your river  
I praise You for Your love, I praise You for this peace  
My Lord, my love, my life-giver

Oh, how I love to love You  
Oh, how I love to love You

Oh, how I love to love You  
Oh, how I love to love You  
'Cause I love, I love you, Lord  
I reach, I wait, I run, I praise, I love You

I wait  
(I love to love You)  
I wait for You  
(I love to love You)  
I reach  
(I love to love You)  
I reach for You

(I love to love You)

'Cause I love, I love you, Lord  
I reach, I wait, I run, I praise, I love You

Oh, how I love to love You  
Oh, how I love to love You
