May the words of my mouth/
Please you dear God
May the thoughts of my heart say to you
That all that I desire/
Is to be with you forever
Lord I pray-I pray that you

Take me-Make me
Beautiful to you
Create me so-I mirror you
Take me-Make me
An image of you
'Cause Lord I want to mirror you

Let the words of my mouth/
Please you dear God
May the thoughts of my heart be as yours
Cause all that I desire/
Is to be here with you forever
Lord I pray-I pray that you

Take me-Make me
Beautiful to you
Create me so-I mirror you
Take me-Make me
An image of you
Cause Lord I want to mirror you

Break me out of my complacency
Breathe your breath of life into my soul
Into my soul

May the words of my mouth please you

Take me-Make me
Beautiful to you
Create me so-I mirror you
Take me-Make me
And image of you
Cause Lord I want to mirror you
