Inwardly, I
See your smile
And I reach for, I reach for it
'Cause I know it's all gonna be ok
okay...

It's all gonna be okay, okay, OK
that is why I always say
It's all gonna be OK

I want to,
Cover you with presents
But my love is all I have
So take me, take me now
'Cause I know you'll not abandon me
You will complete what's begun in me

It's all gonna be okay, okay, OK
That is why I always say
It's all gonna be okay now
It's all gonna be OKBMI

As I,
Come closer now
Hold me
And wipe away my tears
Hold me...Oh

It's all gonna be okay, okay, OK
That is why I always say
It's OK
