QUITE YOU

Come to me all who are weary
And I will give you rest
Come to me all who are weary
And I will give you rest

Lay you head down
On my shoulders
Be still my child
Rest a while

CHORUS:

And I'll quiet you with My love
Rejoice over You
With My song
With My song

And I'll quiet you with My love
Rejoice over You
With My song
With My song

Come to me all who are weary
And take My yoke upon you
Come to me all who are weary
My burden is easy and light

Lay you head down
On my shoulders
Be still my child
Rest a while

REPEAT CHORUS

{Musical Bridge}

REPEAT CHORUS 2X

And I'll quiet you with My love
