Come to me, all who are weary
And I will give you rest
Come to me, all who are weary
And I will give you rest

Lay your head down on my shoulders
Be still my child, rest a while

And I'll quiet you with my love
Rejoice over you with my song, with my song
And I'll quiet you with my love
Rejoice over you with my song, with my song

Come to me, all who are weary
And take my yoke upon you
Come to me, all who are weary
My burden is easy and light

Lay your head down on my shoulders
Be still my child, rest a while

And I'll quiet you with my love
Rejoice over you with my song, with my song
And I'll quiet you with my love
Rejoice over you with my song, with my song

I'll quiet you with my love
Rejoice over you with my song, with my song
And I'll quiet you with my love
Rejoice over you with my song, with my song

And I'll quiet you with my love
Rejoice over you with my song, with my song
And I'll quiet you with my love
