Sweet little Jesus Boy
Made You be born in a manger
Sweet little Holy Child
We didn't know who You were

Sweet little Jesus Boy
Made You be born in a manger
Sweet little Holy Child
Didn't know who You were
We didn't know who You were

Didn't know You'd come to save us
To take our sins away
Our eyes were blind we could not see
We didn't know who You were
We didn't know who You were

Long time ago You were born
Born in a manger, sweet little Jesus Boy

The world treats You mean Lord
Treats me mean too
But that's how it is down here
We don't know who You are?
We don't know who You are?

Who You are?
Who You are?
(Aah)
Who You are?
(Aah)

You have told us how we are trying
Master You have shown us how
Even when You were dying
Just seem's like we can't do right
Look how we treated You

But please Sir, forgive us Lord
We didn't know it was You
We didn't know it was You
It was You

(Aah)
It was You
(Aah)
It was You
(Aah)

Sweet little Jesus Boy
Born long time ago
Sweet little Holy Child
We didn't know who You were
