Speak to me Lord for your child is here listening
Speak to me Lord for your child is here waiting on you
Speak to me Lord for your child is here listening
Speak to me Lord for your child is here waiting on you
Unveil my eyes let me see You ... see You
Unveil my heart let me know You ... know You
Father do
You are the true God the one living Lord ... Father
You are the true God the one living Lord ... Father You
You are the true God the one living Lord ... Father
You are the true God the one living Lord ... Father You
Unveil my eyes let me see You ... see You
Unveil my heart let me know You ... know You
Father do
Jesus, Your word stands forever
Changing me forever
Speak to me Lord for your child is here listening
Speak to me Lord for your child is here waiting on you
Unveil my eyes let me see You ... see You
Unveil my heart let me know You ... know You
Unveil my eyes let me see You ... see You
Unveil my heart let me know You ... know You
Speak to me Lord for your child is here
Speak to me Lord for your child is here
Speak to me Lord for your child is here
Speak to me Lord for your child is here
