I walked for you in the wind  
I called for you when the earth is shaken  
Speak to me in the whisper  
You'll always see beyond my world

Chorus:

Open my eyes give me vision to see you  
Lord become us and  
Let me know you  
For I long to see you as you are (Vision to see you)

Open my ears let me hear you  
Open my heart - show me Father  
For I long to see you as you are  
Give me vision to see you

I walked for you in the fire  
I looked to you and my will is broken  
Speak to me in the silence  
You'll always see the truth unveiled

Chorus

Greet with mansions (dove noises)  
Filled with all your glory (dove noises)  
All night you show me when you be with Son of Man  
So when I see the storm is falling I will stand, arise

Chorus X 2

Open my eyes give me vision to see you  
Lord become and  
Let me know you  
For I long to see you as you are (Vision to see you)

Open my ears let me know you...
