Whatever the cost
From this day on until forever
I will take the narrow road
For I am not alone
I do not walk this road alone

CHORUS:

Yes, I believe in God
This I will say to you
Mean it death or mean it life
Oh, I believe in God
For I have found the way
And I am not ashamed
I have found the way

So through the fire
I'll be refined
And if that fire
Were to take this life
I'll be with Him forever
I will be with Him forever

CHORUS:

Yes, I believe in God
This I will say to you
Mean it death or mean it life
Oh, I believe in God
For I have found the way
And I am not ashamed
I have found the way
And I am not ashamed

You said
"If any man comes after Me
He must deny himself, take his cross
And follow after Me"
So here I come after You
Knowing when my life I lose
You give Yours in return
You give Your new life in return

CHORUS (2x):

I believe in God
This I will say to you
Mean it death or mean it life
Oh, I believe in God
For I have found the way
And I am not ashamed
I have found the way
