You are loved-Rebecca St. James

We were younger then, you and me  
Full of dreams, weren't we?  
I went my way, you went yours  
Where did you go, dear?  
Someone said, you have left  
The life we lived, together then.  
This is my way of reaching out  
Cuz i remember...

CHORUS:

This is what I want to say to you  
If I had one chance to speak to your heart.  
You are loved, more than you could ever know.  
This is what I want to say to you  
If I had one chance to tell you something.  
You are loved more than you can imagine. imagine

If I told you, would you believe the narrow road  
I did not leave  
If I told you would you understand?  
That I have found truth.  
Are you cheated  
Are you hurting now?  
How I wish that I could tell  
Where your heart's at  
Can you see  
Mine has found home

CHORUS:

This is what I want to say to you  
If I had one chance to speak to your heart.  
You are loved, more than you could ever know.  
This is what I want to say to you  
If I had one chance to tell you something.  
You are loved more than you can imagine. Imagine

CHORUS:

This is what I want to say to you

If I had one chance to speak to your heart.  
You are loved, more than you could ever know.  
This is what I want to say to you  
If I had one chance to tell you something.  
You are loved more than you can imagine. Imagine,  
imagine, imagine, imagine
