On that day when I see
All that You have for me
When I see You face to face
There surrounded by Your grace
All my fears swept away
In the light of Your embrace
When Your love is all I need
And forever I am free
Where the streets are made of gold
In Your presence healed and whole
Let the songs of Heaven rise to You alone

No weeping, no hurt or pain
No suffering, You hold me now
You hold me now
No darkness, no sick or lame
No hiding, You hold me now
You hold me now

In this life I will stand
Through my joy and my pain
Knowing there's a greater day
There's a hope that never fails
Where Your name is lifted high
And forever praises rise
For the glory of Your Name
I'm believing for the day
Where the wars and violence cease
All creation lives in peace
Let the songs of Heaven rise to You alone

For eternity, all my heart will give
All the glory to Your name
