Oh how beautiful the sound  
That has saved a wretch like me  
I was lost but I am found  
I was captive till you made me free  
It was grace that taught my heart  
How to marvel at your name  
Breaking all my fears apart  
Taking all my doubt and shame  
And it all comes down to this  
Yeah it all comes down to

Your grace is amazing to me  
Your love is still such a wonder  
Your cross is still bringing me to my knees oh god  
You still amaze me

When I stand before your throne  
I will bring eternal praise

For my heart has found a home  
And a reason still to say  
That it all comes down to this  
Yeah it all comes down to

Your grace is amazing to me  
Your love is still such a wonder  
Your cross is still bringing me to my knees oh god  
And I am amazed

How you paid in death every sinner's wage  
How you loved me first so you took my place  
And redemption came through the work of grace  
It's amazing so amazing

And it all comes down to this  
Yeah it all comes down to
