I hate myself for doing this
I don't know how I sleep
My big mouth making all these promises
My heart can't keep

Whoa-oh-oh, uh-oh, no no
There I go
Acting like I care again
Promising I'm there again
Yeah but I wish I could believe me
Whoa-oh-oh, uh-oh, no no
There I go
Acting like I care again
Promising I'm there again
Yeah but I wish I could believe me

Like you do
Look at you
I deserve an Emmy
I'm so skilled
Oh, but it's for your own good
I doubt that you could handle it
If I was real

Whoa-oh-oh, uh-oh, no no
There I go
Acting like I care again
Promising I'm there again
Yeah but I wish I could believe me
Whoa-oh-oh, uh-oh, no no
There I go
Acting like I care again
Promising I'm there again
Yeah but I wish I could believe me

Maybe I'm wrong
And I'm just a coward
So sue me
But my intentions are good
Leading you on
May not be the best solution
But its the easiest one

Whoa-oh-oh, uh-oh, no no
There I go
Acting like I care again
Promising I'm there again
Yeah but I wish I could believe me
Whoa-oh-oh, uh-oh, no no
There I go
Acting like I care again
Promising I'm there again
Yeah but I wish I could believe me
