STOP

by:Rebekah

Lately i've been doing this  
Crying all alone  
I dont know what went wrong  
I dont know how to get thru it

I cant remember what you did  
life is not the same  
oh baby please no more pain  
Im so tired of playing games

im done with foolish things  
baby what I want is love  
darlin show me  
what is real....

Stop if you're not in love  
so wont you stop, if you're meant to break my heart  
Baby you must know  
that it's hard to let you go  
though its not the best thing to do  
then i'll say goodbye to you

Thinking that i'll lose you  
you know it tears me apart  
ut thinking about tomorrow  
i'll be setting free my heart

I cant remember what you did  
My life is not the same  
oh baby please no more pain  
Im so tired of playing games  
im done with foolish things  
baby what i want is love  
unless you show me  
the real thing...

STOP if youre not in love  
so wont you stop if you're meant

to break my heart  
baby you must know that it's hard to let you go  
but if its the best thing to do  
then ill say goodbye to you

Stop if you're not in love so wont you stop  
if you're meant to break my heart  
baby you must know that it's hard to let you go  
and though it's not the best thing to do  
I'd still stay in love with you...

should i stay or go  
or stay? or go?  
Should I go? or stay? or go or saty or go?  
someone tell me...  
someone help me...
