"Black Dog"

While you are away ,
She will keep racing through my mind
hesitate to tell you
That I know her, far to well

My bad confidence
Dances a dance upon my head
No one here to stop her
She continues until I am dead.
She is in my room
On the other side of my mirrors
Soon we will unite
In pure intimacy
My bad confidence
Dances a dance upon my head
No one here to stop her
She continues until I am dead

She is in my kiss
Like a black dog that hunts you down
You must be aware
Making love to me while she's around

My bad confidence
Dances upon my head
No one here to stop her
