Sparkling, pretty promise and
A compliment,
A fine proposal
A tearful break down,
A diamond ring
A trip to Paris during spring
loveletters proclaiming I am the one
Scared yet? I Å,Å´ve only just begunÅçÅ€Å!

A big display of unread books
Paintings, antiques, famous friends
Seduction, sexy lingerie
satin sheets, your honesty
flawless maners and a brand new car
Tells everybody what a fine young man you are

Watch me pouring on gasoline
DonÅ,Å´t you dare to get in between
Watch me pouring on gasoline
Step back , mister , donÅ,Å´t make a scene
Did you enjoy to invade me?
To let my happiness expire?
a bittersweet conspiracy
a play to gallery
a lie
I digested non-sense with a smile
you had me caught there for a while

Watch me pouring on gazolineÅçÅ€Å!

Listen to the lovely sound
as this place is burning down
There will be beautiful snowflakes of ashes
Transforming your precious possessions to trashes
It will arise a glowing black star
When I burn up everything that you are.

Watch me pouring on gasolineÅçÅ€Å!
