Rest your tired head now my friend I will stand by You don $\tilde{A}f\hat{A}$, \tilde{A} , \hat{A} 't have to say no more I know what you came here for Eyes sore and shoes untied walking the streets all night

No new cities lovers friends can make you feel complete The sense of loneliness remains no matter who you meet When all you pictured failed and all your dreams are crossed remember that your strenght is also built on what you lost The noble art of letting $\tilde{A}f \hat{A} \hat{a}, \neg \tilde{A}, \hat{A}$

Your blindspot is rejection and you $\tilde{A}f\hat{A}$, \tilde{A} , \hat{A} 'll be on your own when you $\tilde{A}f\hat{A}$, \tilde{A} , \hat{A} 're petrified of all that \tilde{A}_{f} , \tilde{A}_{f} , \tilde{A}'_{s} warm and real invisible scars take forever to heal The daylight will soften your mood come now accept what \tilde{A}_{f} , \tilde{A}_{i} , \tilde{A}_{s} good

No new cities lovers friends $\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \tilde{A}$, \hat{A} ¦

The noble art of letting go
