"Agonizing By My Hands"

Visit "[Agonizing By My Hands](#)" on MotoLyrics.com

No love or faith living by wrath
Led by evil's glory into the dark immortality
Crusher of lambs killer of mankind
Cold terror leading the butchery

Marching crushing leading the darkness
Rejected by the light infecting mankind
Disgorged sickness ripper of souls
Celebration of pain worshipper of demise
Immersed in blood the inverted cross
Brings the anti-christ as the serpent rises

Dogs from the underworld leading the human tragedy
Inhuman screams from the ashy gallery of torture
Warriors ascending unmerciful killing
Fallacy agonizing before the holy chaos
