I've been drunken with horror death can't  
frighten me  
I've long forgotten what the feeling of fear  
might be  
Life's but a shadow meaning nothing at all  
But I feel alive again now that I stand with my  
back against the wall

[Bridge:]  
My back against the wall

[Ref.:]  
Calling all to arms  
There is no way to escape  
Fate has turned to black  
At least I'll die with harness on my back

[2]  
All of my yesterdays have led me this way  
Like a fool I believed what the tongues of evil did say  
In my veins there is life again now that I must fall  
This is my destiny here is my end with my  
back against the wall
