Fifteen years, too young to die  
The saint he fell within the last battlecry  
But the time has come for you not yet  
Escape from the battle of Stiklestad

Baptized by the sword and the shield  
Destined to be kind  
The last in line  
Lead this epoch to an end  
To be written in blood  
Named Harald Hadrade

Out there in the world, afar from home  
Explore all the east and grow up so strong  
No riches, fights or prison walls  
Will keep you away,  
When your destiny calls  
Baptized by the sword and the shield  
Destined to be kind  
The last in line  
Lead this epoch to an end  
To be written in blood  
Named Harald Hadrade

See Norway lies bare down to your feet  
King Magnus died, now your crown is complete  
At England's shores you will just arrive  
To fight your last battle  
And pay with your life

Baptized by the sword and the shield  
Destined to be kind  
The last in line  
Lead this epoch to an end  
To be written in blood  
Named Harald Hadrade
