[Lyrics: Ronaldo Lima]

Awaiting the flames of Hell  
The darkest king shall rise  
To spread the seeds of evil  
And humble the thrones of the earth  
We're warriors at this war  
Your sword leading the battle  
With fury we'll crush mankind  
By the force of the blazing Metal!

Killing! Killing! I swallow their poisoned blood  
Feel the scourge from my wrathful whip  
Die by my hands weak servants of light  
Fell the taste of my hunger...hunger steel

Marching, desolating, killing...  
We'll spread the seeds of destruction on this  
damned world  
Agonizing, bleeding, ending...  
Humanity starts to be devoured

[Lead: Ronaldo]

[Lead: Penna]

Immersed in the immortal flames  
The man killer awaits  
To lead us to evil glory  
And cover the earth with blood!

[Lead: Both]
