"Dreams Do Come True"

I've been told, and I'm sure it's true
That when two lose their hearts
Dreams do come true

I believe that out of the blue
Someone will hope for me, and
Make my dreams come true

I drift out of big, wide cloud
Over house tops high above
Dreaming them must be someone
Who send me someone for me to love

I can't tell, but what can I do
But keep on wishing that
Dreams do come true

I drift out of big, wide cloud
Over house tops high above
Dreaming them must be someone
Who send me someone for me to love

I can't tell, but what can I do
But keep on wishing that
Dreams do come true

Dreams do come true
Dreams do come true
