Hush-a-bye, baby  
Don't you cry now  
I wanna tell you  
I'm a-gonna be your guy

Woke up this morning  
Opened my eyes  
Knew that I loved you  
I'm a-gonna be your guy

Each night I dream the dream of you  
I see you walking along, but  
You won't be alone no more, so

Hush-a-bye, baby  
Hear me a-callin'  
Comin' to tell you  
I'm a-gonna be your guy

Each night I dream the dream of you  
I see you walking along, but  
You won't be alone no more, so

Hush-a-bye, baby  
Hear me a-callin'  
Comin' to tell you  
I'm a-gonna be your guy
