When she hurt me, and laughing, too  
Do I watch? do I love her? now I wish I knew  
These are questions, questions I can't answer  
A-ha, a-ha, a-ha

Do I watch? do I love her? when she lied to me  
Can we still be like we used to be?  
These are questions, questions I can't answer  
A-ha, a-ha, a-ha

I don't think I can go on  
Knowing she's been untrue  
But, maybe I'll do try again  
Wish I knew what to do

Is it her fall? Or am I to blame?  
If I forgive her, will it be the same?  
These are questions, questions I can't answer  
A-ha, a-ha, a-ha

I don't think that I can go on  
Knowing she's been untrue  
But, maybe I'll do try again  
Wish I knew what to do

Is it her fall? Or am I to blame?  
If I forgive her, will it be the same?  
These are questions, questions I can't answer  
A-ha, a-ha, a-ha
