[Chorus]

A heart like lion, a burning like fire
Waiting just to be set free
A heart like a lion, a burning like fire
How can I bear captivity

Some they tell me I'm a fool, a fool who walks this road
alone
So afraid of making changes, remember that nothing
is carved in stone
Oh tell me why we are so afraid of the secrets locked
with in our souls
Cause Everything that we're made of is dying just to be
exposed
Oh yes

[Bridge]

So don't turn your back on yourself, there's nowhere to
run
You know your life's ain't a practice run
It's time to wake up you're mind
Oh yeah yeah For maybe tomorrow will never come or
maybe it will but by then it's too late oh oh
There's nothing left to do but cry oh yeah.
So now you cry but you don't know why, and now you
cry but you don't know why
Oh yeah yeah yeah

[Chorus]

So what you want to be now well it's time to realize
That everything you need now has been right in front of
your eyes yeah
Don't point your fingers and blame, remember it's
never too late to change
Don't point your fingers and blame, remember it will be
okay

[Bridge]

You better get up
You better get out

You better get up and turn
Your life around you only live
Once you better act now
Cause you never know when
It's gonna come back around yeah

[Chorus]

A heart like a lion
A heart like a lion
A heart like a liooonn...
