We've been lost out here for days.

Don't worry, we'll be fine if we just wait

Let's try to relate.

In our own worlds we'll be ok, oh yeah.

The clock ticks faster on these days yeah

And ticking tocks the way, can love thrash hate

Lets try to relate

In a bright world we'll be ok, whoa yeah

We'll be under the moonlight

Dancing away like

Two silouettes in the sand what a sight can you see

Can you see me

Or is this a dream

Whoa yeah...
