"On Your Mind"

Come on let's get alone
Baby just turn off your phone for now
Come on let's go home
And make our way to the couch

You gotta keep quiet
Nobody needs to be in on this
You got me on fire
Let's start this off with a kiss

I know what's on your mind
And you know what's on my mind
I know what's on your mind
And I like it, I like it, yeah

You get so wild
Baby just keep it down for now
You're gonna wake the dead
Baby you're so damn loud
