"Real Tonight"

Your body trembles
As I come near
I hold on to you, and my hands
Disappear.
Your heart is beating much too fast
The feel of your lips,
Pressed against mine,
The touch of our fingers as
They're intertwined...
Oh God I'm so lost in you.

Please make this real tonight (x2)
Oh God I'm worked up so tight.
Please make this real tonight.

The sweat on your body,
It drips on me.
And I am thrown into ecstasy.
You are what makes me complete.
The pull of your hands
Upon my back...
I look in your eyes
And you smile back.
This is what I've waited for.
