When we come down,  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got,  
This the kinda sound that you wanna hear,  
This the kinda vibe that you wanna feel,  
Well I'm the type of guy that you never fear,  
You can do your thing then come near,  
Maybe I'm,  
I'm caught up in the thing that you know I like,  
Check it one time, baby overnight?  
See we can make a grand escape,  
We can get high, baby break,  
I'm all about the look that you're givin' me,  
I'm all about the dance moves you're lettin' free,  
Well I'm all about a sweet sounding loving spree,  
So Listen for my melody,  
And maybe I'm,  
I'm caught up in the thing that you know I like,  
Check it one time, baby overnight?  
See we can make a grand escape,  
We can roll high, by the way  
And when we come down,  
We'll be dreamin' safe and sound,  
You better know why,  
Baby that's all I got  
You will be dreamin' safe and sound,  
You better know why,  
Baby that's all I got,  
This the kinda sound that I wanna hear,  
This the kinda vibe that I wanna feel,  
Well you're the type of girl, baby on the real,  
Check it one time, what's the deal?  
Maybe I'm,  
I'm caught up in the thing that you know I like,  
Check it one time, baby overnight?  
See we can make a grand escape,  
Oh we can roll high, by the way
