If you're in my line, I'll go around the side, and still  
bring it  
Sky is the limit  
So out of my way  
You can't get me down

There's nothing like a clear peace of mind  
To overcome the hardships in life  
To sort out the wrong from the right  
Someone's in line, but they can't get me down

I got my own self by my side  
And mentally I gotta be free  
I see the wickedness coming full speed  
But, I hold together like the ball needs the seam

I'm trying to do something not nothing,  
You're trying to hold me back and that's fine  
Nothing you say or do is worth my time  
Good day to you, I respectfully decline

And now I'm coming stronger than ever  
You say I'm a fool  
I say whatever  
I'm in it for the good vibes together  
And the love lasts forever

Nothing you can do to me now  
Nothing you can say to me now

Now it's been seven years running  
Backyards and front yards and at the eight - seven  
Some hit the scene with a bang and that set it  
While some they didn't really work hard to get it

Dream on they say dream on you're weak,  
But my hand's still high cuz in my mind I've achieved  
IV set the pace for a dream  
6500 all the living I need

There's nothing you can say to me now

Nothing you can do to me now  
Nothing you can say to me now  
Nothing you can do to me now
