"What You Do To Me"

You, oh you, you know what you do
What you do to me (x2)

And I wont back down now
Four years has been long enough
To Wait
And I've got you now,
So this has just got to be fate.

You, oh you, you know what you do
What you do to me (x2)

And I'm just so ready
I just want to take you
Into my arms.
And I've been waiting
So please don't make me wait
Another day.
You're what I've wanted.

I've been waiting here for forever
But I won't wait here all that long
And I would never say never
If you would up and come along
